# Ocean habitat and animals

## Animals

Circle the words that describe an ocean habitat.

|            |      |          |
|------------|------|----------|
| Cold       | Dry  | No tress |
| Underwater | Vast | Sandy    |
| Empty      | Deep | Very hot |

Circle the animals that live in this habitat.
