

Student Name: _____

Obtain Marks: _____

Time (nearest to half an hour)

Telling time

The science center is a favorite place for all the kids in town!

1. The science center opens at 9 o'clock in the morning and closes at 5:30 in the afternoon. How long is it open?
2. The planetarium shows a space movie every three hours. They did one show at 10:30 in the morning. At what time is the next space movie show?
3. Kids can build robots in the workshop starting at 1:00 in the afternoon. The workshop lasts for two and a half hours. When is the robot workshop finished?
